*43<sup>rd</sup> Annual*

# Radiology Review Course

April 9 - 14, 2023

Hotel del Coronado • Coronado, California

Up to 47.75 *AMA PRA Category 1 Credit(s)*<sup>TM</sup>

## About The Meeting...

The **43<sup>rd</sup> Annual Radiology Review Course** will cover a wide range of topics common to most current diagnostic radiology practices. It is organized in focus sessions, by organ system, in all subspecialty areas of Diagnostic Radiology. Some sessions will include discussion on related image guided interventions, image optimization and case review sessions round out the program.

## Target Audience

The course is designed as a comprehensive review of the field of Diagnostic Radiology for both practicing radiologists as well as radiologists-in-training preparing for the Core Exam of the American Board of Radiology.

## Accreditation

The University of California, San Diego School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of California, San Diego School of Medicine designates this live activity for a maximum of 47.75 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Category A/A+ CE Credit is pending approval by the ASRT.

The number of A CE credits will be available approximately 30 days prior to the meeting. Please visit [ucsd.edusymp.com](https://ucsd.edusymp.com) or call (813) 806-1000 regarding the availability of Category A CE credit.

## EDUCATIONAL OBJECTIVES

Attendees should, at the completion of this course, be able to:

- Discuss the differential diagnosis of the imaging appearance of common disease processes with appropriate imaging and clinical follow-up recommendations.
- Describe the role of new imaging techniques in diagnostic radiology.
- Discuss basic vascular and non-vascular interventional procedures.

*No special educational preparation is required for this CME activity.*

## Cultural & Linguistic Competency & Implicit Bias

Continuing medical education (CME) providers are required by state Assembly Bills 1195 and 241, and the standards created by the California Medical Association (CMA), to include components that address cultural and linguistic competency and implicit bias in CME activities. The planners and presenters of this activity has been asked to provide meaningful consideration of these standards in the selection and presentation of content. Additional information and resources are available on the UC San Diego CME website.

## Disclaimer

The University of California, San Diego School of Medicine, as sponsor of this meeting, Educational Symposia, as planner of this function, and Professional Travel as the official travel agency for this meeting, claim no liability for the acts of any supplier to this meeting nor the safety of any attendee while in transit to or from this event or any optional activities. The total amount of liability, if any, will be limited to a refund of the attendance fee, and Professional Travel's responsibility is limited to that of an agent. Purchase non-refundable airline tickets at your own risk.

## Disclosure Statement

It is the policy of University of California San Diego Continuing Medical Education to ensure that the content of accredited continuing education and related materials is accurate, balanced, objective, and scientifically justified. Education must be free of the influence or control of ineligible companies, and protect learners from promotion, marketing, and commercial bias. All persons in a position to control the content of accredited continuing education must disclose all financial relationships held with ineligible companies, prior to assuming a role in the activity. Those relationships deemed relevant to the education are mitigated prior to the activity through one of the following strategies, depending on the nature of relationship and the role of the person: 1) divesting the financial relationship, 2) altering the individual's control over content, and/or 3) validating the planning decisions and/or content through independent peer review. All relevant financial relationships are mitigated prior to the activity and mitigation strategies and necessary steps for implementation are communicated to individuals prior to them assuming their role in the activity. Persons who refuse or fail to disclose are disqualified from participating in the activity. Activities are evaluated by participants and peer reviewers to determine if the content was free of bias and met acceptable scientific standards. This information is considered in future activity planning.
